Institute of Theoretical Physics, Chinese Academy of Science

We are saddened by the news of the passing of distinguished physicist Professor Chou Kuang-Chao. Prof. Chou's outstanding work on many theoretical areas of physics has pushed the boundaries of our knowledge, remaining significant for years to come. His service to the Chinese Academy of Sciences and countless foreign Academies of Sciences is an inspiration to us all. We are proud to have Prof. Chou as our author and advisor, and he will be greatly missed.
